No	Product	Image	Specification	Quantity	Price per Unit	Packing
<b>Medical PPE &amp; Screening Products for COVID-19</b>						
1	Infrared thermometer		Temperature range: 32-42.9°C Measuring distance: 2-5cm Display mode: LCD display	100 Units	\$30.0	60pcs/carton, 9kg,720x330x 215mm
				300 Units	\$28.0	
				500 Units	\$27.0	
				1000 Units	\$26.0	
				2000 Units	\$25.0	
				5000 Units	\$24.0	
				10,000 Units	\$23.0	
				50,000 Units	\$22.0	
2	Oximeter		Colour LED display Blood oxygen value display range: 70 ~ 100% Pulse rate value display range: 30 ~ 240BPM Resolution: blood oxygen saturation is 1%, pulse rate is	100 Units	\$23.0	100pcs/carton, 47.5*37*21cm, 8kg
3	Surgical Protective clothing		Hazmat Suit – Sterile Size: L - XL Material: PP+PE Function: Anti-tear, Anti cross-contamination. Without Cover Shoes	100 Units	\$20.0	50pcs/carton, 60 *55*55cm, 16kg
				1000 Units	\$19.0	
				10,000 Units	\$18.0	

4	Isolation Gown		Size: L-XL Material: SMS Function: Anti cross-contamination. Without cover shoes	100 Units	\$7.0	50pcs/carton, 60 *41*40cm, 16kg
				1000 Units	\$6.5	
				10,000 units	\$6.0	
5	Isolation Gown		Isolation gown, Non-Sterile. Material: non-woven+PE, 35g	1000 Units	\$5.0	50pcs/box
6	Disposable Bouffant Cap		Disposable Bouffant Cap. Material: Non-woven	1000 Units	\$0.14	1200pcs/Carton 57*43*40cm, 12kg
7	Medical Feet Cover		Material: SMS. Weight: 18g	500 Units	\$0.31	500pcs/carton, 52*30*30cm, 9.1kg

8	Medical Shoe Cover		Material: PP+PE	1 pair	\$1.90	50pairs/carton, 60*60*55cm
9	3-ply Disposable mask		3-ply ,Non-woven, <b>non-sterile</b> , civil use	50,000 Units	\$0.23	42*39*55cm, 2500pcs/box
				500,000 Units	\$0.22	70*38*44cm, 3000/pc/box
				1,000,000 Units	\$0.21	
10	3-ply Disposable mask		3-ply ,Non-woven, <b>Sterile</b> , <b>Medical use</b>	10,000 Units	\$0.32	200pcs/bag, 30bags/box, 63*46*53cm 21kg
				50,000 Units	\$0.31	
				500,000 Units	\$0.30	
11	3-ply Disposable mask		3-ply ,Non-woven, <b>Non-Sterile</b> , <b>Medical use</b>	10,000 Units	\$0.29	50pcs/box, 20box/carton, 52*38*34cm, 7.5kg
				100,000 Units	\$0.28	
				200,000 Units	\$0.27	
12	3-ply Disposable mask		3-ply ,Non-woven, <b>Sterile</b> , <b>Surgical use</b>	20,000 Units	\$0.46	20pcs/bag, 300bags/carton, 44*42*59cm, 15kg

13	Civil KN95 Mask		KN95 personal protective mask, <b>Non-Medical Use</b>	12,000 Units	\$1.15	25pcs/box, 24box/carton, 52*45.5*32.5cm 7kg
14	Medical Protective Mask		Use for ICU or Dangerous environment Standard:GB19083-2010 Medical use	1000 Units	\$2.61	20pcs/box, 30 box /carton 60*41*37cm
				10,000 Units	\$2.59	
				100,000 Units	\$2.57	
15	PVC Examination Gloves		Material: Powder free PVC Weight: 3.5 g Size: S, M, L <b>Non-Sterile</b>	10,000 Units	\$0.069	100pcs/box 10box/carton 33 x26 x25cm , 6 kg
16	Nitrile Examination Gloves		Material: Nitrile Weight: 3.5 g Size: S, M, L <b>Non-Sterile</b>	10,000 Units	\$0.090	100pcs/box 10box/carton 33 x26 x25cm , 6 kg
17	Face Visor		Material: PETG DIY type: Customer to stick the sponge to visor.	10,000 Units	\$1.00	500pcs/carton, 70x60x50 cm, 23kg

18	Medical Goggles		Without Air valve	100 Units	\$3.20	200pcs/carton, 41x42x75cm, 17kg
19	Medical Goggles		With Air valve	100 Units	\$3.40	200pcs/carton, 41x42x75cm, 17kg
<b>Disinfectants &amp; Sanitisers for COVID-19</b>						
20	Disinfectant Cleaning Solution		4L bottles	10 Units	\$9.0	
				300 Units	\$8.50	
				500 Units	\$8.20	
				1000 Units	\$7.94	
				10,000 Units	\$7.64	
				100,000 Units	\$7.45	
21	Disinfectant Cleaning Solution		2L bottles	10 Units	\$5.15	
				300 Units	\$4.85	
				500 Units	\$4.55	
				1000 Units	\$4.26	
				10,000 Units	\$4.12	
				100,000 Units	\$3.97	
22	Hand Sanitiser		60ml	1000 Units	\$0.88	
				10,000 Units	\$0.82	
				100,000 Units	\$0.78	
				1,000,000 Units	\$0.76	

23	Hand Sanitiser		500ml	1000 Units	\$2.80
				10,000 Units	\$2.64
				100,000 Units	\$2.50
				1,000,000 Units	\$2.49
24	Ethanol Disinfectant		500ml	1000 Units	\$1.98
				10,000 Units	\$1.91
				100,000 Units	\$1.76
				1,000,000 Units	\$1.73
25	Ethanol Disinfectant		900ml	1000 Units	\$3.20
				10,000 Units	\$3.00
				100,000 Units	\$2.90
				1,000,000 Units	\$2.79
26	Bleach		4L	1000 Units	\$5.76
				10,000 Units	\$5.52
				100,000 Units	\$5.29
				1,000,000 Units	\$5.27

## Medical Equipment Products for COVID-19

27	ICU Ventilators Compressor		<p>Can do invasive ventilator professional use for COVID-19            Modes:            A/C,A/C.SIGH,SIMV,SIMV+PSV, PCV,PSV,MMV,PEEP,C PAP  <b>Without CE</b></p>	MCA-VH1	\$26,000	500 units within 30 working days
28	Non-Invasive Ventilator		<p>Portable Ventilator for <b>Hypoxia and CO2 Retention</b>            Portable BiPAP ventilator machines with humidifier            Modes: CPAP, S , T , S/T  <b>CE approved</b></p>	MCA-V19	\$1,750	500 units within 5 working days
29	Non-Invasive Ventilator		<p>Portable Ventilator for <b>Hypoxia and CO2 Retention</b>            Modes: CPAP, S, ST, T, APCV.  <b>CE approved</b></p>	MCA-V30P	\$2,100	500 units within 7 working days
30	Portable Emergency Ventilator		<p>Can do invasive ventilator            Modes:            A/C,A/C+SIGH,SIMV,SPON T,MANUAL, PEEP(External PEEP valve)  <b>CE expired</b></p>	MCV-31A	\$8,700	20 units within 10 working days

31	ICU Ventilators with compressor		<p><b>Can do invasive ventilator COVID-19 professional use</b></p> <p>Humidifier, 12.1-inch Touch screen, built-in battery and accessories, built-in nebulizer, Air compressor, Invasive &amp; Non-invasive High flow oxygen therapy <b>CE approved</b></p>	MCV-3K	\$26,000	10 units arriving on May 20th
32	Replace Ventilator by Anaesthesia Machines		<p><b>Can do invasive ventilation Anaesthesia Machine, Artificial Nose, Humidifier, Breathing circuit</b></p> <p><b>CE approved</b></p>	MCA-A20	\$14,700	200 units in April
33	Manual Respirator		<p><b>For COVID-19 emergency use</b></p> <p>Air Bag, Aspirate Valve, Air Collection Bag, Mask, Fish Mouth Shape Valve</p>	MOQ 100 Units	\$90	In Stock
34	Disposable Anaesthesia Laryngoscope		<p>Curved: Size: 95,120,140,160mm</p> <p>Straight: size:75,110,130mm</p>	100 Units	\$1.30	130pcs/carton 69*35*22cm,
			Handle	100 Units	\$1.30	

35	Oxygen Generator		<p>Flow adjustment to 0.1L/min 5L flow oxygen supply to meet two-people oxygen at the same time. 1-5L/min more than 90% high purity. 24/7 continuous operation with stable performance. Mobile with roller for convenience.</p>		\$375	300 units within 20 working days
36	Oxygen Generator		<p>Max Flow: 10LPM Purity: 93% ±3% Machine Dimension: 400*300*540mm Carton Dimension: 480*390*650mm NW:20.5kg / GW: 23.5kg Voltage: 220V/50HZ Pressure: 60~85kPa</p>		\$729	300 units within 20 working days
37	Digital Mobile X-Ray Machine		<p>1. Generator output: 5.0 kW 2. kV range: 40 kV - 120 kV in 1kv steps 3. mA range: 25~103 mA 4. Exposure time: 4 films per min, less than 20 ms per film</p>	MCX- DR51	\$41,000	200 units within 20 working days
38	Dry-Film Printer		<p>Film Size: 8"*10", 10" * 12", 11" * 14", 14" * 17"</p>	MCX- DY01	\$4,950	200 units within 20 working days

39	Medical X- Ray Film Processor		<ol style="list-style-type: none"> <li>1) Fully automatic</li> <li>2) 5.2L/tank</li> <li>3) 3 tanks</li> </ol>	MCX-012	\$1,995	200 units within 20 working days
40	Patient Monitor		<ol style="list-style-type: none"> <li>1) 12.1-inch portable ICU monitor</li> <li>2) 6 Parameters: ECG, HR/PR, SPO2, NIBP, RESP, TEMP</li> <li>3) Leads:3-5 leads</li> <li>4) Optional: ETCO2 module; Built-in thermal printer; lithium battery; mobile stand/wall mount</li> </ol>	MCS-PM10	\$386	In Stock
41	Patient Monitor		<ol style="list-style-type: none"> <li>1) 12.1" colour TFT touch screen</li> <li>2) Standard: ECG, Respiration, NIBP, SpO2, Pulse Rate, Temperature</li> <li>3) Optional: Nellcor SpO2, EtCO 2, IBP, Thermal Recorder</li> </ol>	MCS-PM03	\$600	200 units within 10 working days
42	Patient Monitor		<ol style="list-style-type: none"> <li>1) 12.1" colour TFT screen</li> <li>2) Standard: ECG, Respiration, NIBP, SpO2, Pulse Rate, Temperature</li> <li>3) Optional: Nellcor SpO2, EtCO2, IBP, TEMP-2, Thermal Recorder, Wall Mount, Trolley, Central station</li> </ol>	MCS-PM01	\$429	200 units within 10 working days
43	Infusion Pump		<ol style="list-style-type: none"> <li>1)Flow Rate : 1-1100 ml/h</li> <li>2)Rate : 700 ml/h</li> <li>3)Accuracy: ±3%</li> <li>4)VTBI:1-9999 ml</li> <li>5)KVO Rate: 4 ml/h</li> </ol>	MCS-IP07	\$386	200 units within 10 working days

44	Syringe Pump		<p>1) Applicable syringe: 5ml/10ml/20ml/30ml/50ml</p> <p>2) Drug library(optional)</p> <p>3) flow rate: 0.1ml/h to 1500ml/h</p>	MCS-IP50	\$429	200 units in stock
45	Syringe Pump		<p>1) Applicable syringe: 10,20,30, 50/60ml</p> <p>2) Automatic anti- bolus</p> <p>3) Wireless Management</p>	MCS-SP10	\$279	200 units within 10 working days
46	Automated External Defibrillator		<p>1) Daily &amp; Monthly Self-testing.</p> <p>2) Two-button operation, according to the 2010 AHA guidelines.</p> <p>3) Biphasic energy output.</p> <p>4) Extensive voice and visual prompts for the operator.</p>	MCS-DE03	\$1,095	100 units within 10 working days
47	Defibrillator (Biphasic)		<p>1) ECG, NIBP, TEMP, SpO2, Pulse</p> <p>2) Defibrillator type: Manual, Synchronized, Synchronized,</p> <p>3) Output waveform: Monophasic or Biphasic</p> <p>4) Energy selection: 0, 3, 5, 7, 10, 20, 30, 50, 100, 200, 300, 360 joule</p> <p>5) Charging time: 10 secs to 360 Joules</p>	MCS-DE08	\$3,429	100 units within 10 working days

48	Defibrillator (Biphasic)		<p>1) ECG                  2) Defibrillator type: Manual, Synchronized, Asynchronized                  2) Output waveform: Monophasic or Biphasic                  3) Energy selection: 0, 3, 5, 7, 10, 20, 30, 50, 100, 200, 300, 360 J                  5) Charging time: 8 secs to 360</p>	MCS-DE09	\$2786	100 units within 10 working days
49	Defibrillator with a Monitor		<p>1) Defibrillator                  2) Biphasic energy output: 2-360J                  3) ECG monitoring                  4) AED                  5) SpO2                  6) One adult pads (Disposable)                  7) Electrode handle (Reusable)</p>	MCS-DE06	\$2,550	100 units within 10 working days
50	ECG – 1 Channel		<p>1) 80mm, 3-channel format recording.                  2) 3.5-inch colour LCD, 250 cases storage                  3) Rechargeable Ni-MH battery.</p>	MCS- ECG03	\$343	200 units within 10 working days
51	ECG – 3 Channels		<p>1) 80mm, 3 channel format recording.                  2) 3.5-inch colour LCD, 250cases storage                  3) Rechargeable Ni-MH battery.</p>	MCS- ECG03	\$396	200 units within 10 working days
52	ECG – 6 Channels		<p>1) 112mm, 6 channel format recording                  2) 7-inch colour LCD, 40cases storage                  3) Rechargeable Li-ion battery.</p>	MCS- ECG06	\$675	200 units within 10 working days

			<p>4) No optional function 5) Optional: touch screen; 250 cases storage</p>			
53	ECG – 12 Channels		<p>1) 215mm, 12ch format Recording. 2) 7-inch colour LCD with full keyboard. 3) Rechargeable Li-ion battery. 4) 250 cases storage save and replay.</p>	MCS- ECG10	\$857	200 units within 10 working days
<b>Hospital Furniture For COVID-19</b>						
54	Single Manual Hospital Bed		<p>Size: 2020*960*500 Back: 0-80 degree Five-speed aluminium alloy guardrail Stainless steel infusion stand Bedframe: 40 * 80mm, Bed board: 20 * 40mm square tube Bed legs: 50 * 50 square tube, Cross bar: 40 * 40 square tube</p>	100 Units	\$150	Bubble film 1950*930*80 mm, Bed board 940*420*550 mm, 4 pairs, Head board Guardrail 1480*160*280 mm, 5 pairs/carton
55	Single Manual Hospital Bed		<p><b>1) Stainless steel head and foot board</b> 2) Power coated steel bed surface. 3) Mounted on four 125mm castors, 2 w/brake 4) Backrest 0-75° 5) Size: L2000*W920*H500mm <b>with mattress.</b></p>	100 Units	\$220	

56	Biological Isolation Chamber		<p>1) Special TPU film chamber liner and ABS poles.</p> <p>2) Ten integrated glove portals on three sides, two infusions portals.</p> <p>3) Batteries up to 8 hours</p> <p>4) The chamber negative pressure will be up to -15pa only in 2 minutes after power</p>	1 Unit	\$1,500	
57	Hospital Mattress		192*86*18cm, 30KGS 3 Units/PACKAGE	100 Units	\$22	Mattress 1900*900*300mm 5pcs/carton
58	Medical Trolley			1 Unit	\$386	
59	ABS Bedside Cabinet			100 Units	\$50	
60	Mobile Food Trays			100 Units	\$56.81	1 pcs/carton, 0.08CBM
61	Drip stands - 5 wheeled			100 Units	\$17.25	10 pcs/carton, 0.09CBM

62	Patient Screen		Stainless steel screen	100 Units	\$40.58	5 pcs/carton, 0.4CBM
63	Body Bag		Material: Inner coating of PP non-woven fabric. Zipper head: 2 Size (L*W): 2100*800mm Thickness : 39 (110g /cmb)	20 Units	\$7.50	20 pcs/carton, 59*43*31 cm 15kg
<b>Provisory Field Medical Tents &amp; Facilities for COVID-19</b>						
64	Check point		<ol style="list-style-type: none"> <li>1) Frame material main profile: Hard pressed extruded aluminium alloy 6061-T6.</li> <li>2) Roof fabric: Double PVC coated 850g/sqm, Waterproof, UV-resistant, Flame retardant (DIN4102 B1/M2).</li> <li>3) Steel Component: Hot- dip galvanized steel,</li> <li>4) No pole inside, 100% interior space is available. Easy to install and breakdown</li> <li>5) Wind load: 100km/h (0.5KN/SQM)</li> <li>6) 6x15x3m</li> </ol>	1 Unit	\$3,562	In Stock

65	Pagoda Isolation Tent		<p>1) Frame material main profile: Hard pressed extruded aluminium alloy 6061-T6.</p> <p>2) Roof fabric: Double PVC coated 850g/sqm, Waterproof, UV-resistant, Flame retardant (DIN4102 B1/M2).</p> <p>3) Wall system: PVC/glass/Abs/sandwich panel.</p> <p>4) Steel Component: Hot- dip galvanized steel.</p> <p>5) No pole inside, 100% interior space is available Very easy and fast to install and dismantle, movable. All accessories included.</p> <p>6) Wind load: 100km/h (0.5KN/SQM)</p> <p>7) 5x5x2.6m</p>	1 Unit	\$1,450	This price is for PVC sidewall
66	Inflatable Medical tent		<p>1) STANDARD SIZE: 5x4x2.8m (16.4x13x9ft)</p> <p>2) INFLATION TIME: 3-5mins</p> <p>3) MATERIAL: 0.65mm PVC tarpaulin</p> <p>4) COLOR: White, yellow, green (logo customized)</p> <p>5) FEATURE: Very easy and fast to install and dismantle, movable,</p> <p>6. 5x4x2.8m</p>	1 Unit	\$2,500	Packing: 1.2 X 0.8 X 0.6m, 120kg

67	Temporary Hospital Tent	 	<p>1) Frame material main profile: Hard pressed extruded aluminium alloy 6061-T6</p> <p>2) Roof fabric: Double PVC coated 850g/sqm, Waterproof, UV-resistant, Flame retardant (DIN4102 B1/M2).</p> <p>3) Wall system: PVC/glass/Abs/sandwich panel</p> <p>4) Steel Component: Hot- dip galvanized steel,</p> <p>5) No pole inside, 100% interior space is available Very easy and fast to install and dismantle, movable.</p> <p>6) Wind load: 120km/h (0.5KN/SQM)</p> <p>7) 30x50x4m</p> <p>8) Negative pressure solution available.</p>	1 Unit	\$63,700	This price is for PVC sidewall
68	Field Hospital	 	<p>1) Frame material main profile: Hard pressed extruded aluminium alloy 6061-T6</p> <p>2) Roof fabric: Double PVC coated 850g/sqm, Waterproof, UV-resistant, Flame retardant (DIN4102 B1/M2).</p> <p>3) Wall system: PVC/glass/Abs/sandwich panel</p> <p>4) Steel Component: Hot- dip galvanized steel,</p> <p>5) No pole inside, 100% interior space is available Very easy and fast to install and dismantle, movable.</p> <p>6) Wind load: 120km/h (0.5KN/SQM)</p> <p>7) 6x9x3m</p> <p>8) Negative pressure solution available.</p>	1 Unit	\$3,180	This price is for PVC sidewall
